Excellent custom web design service with fast delivery: Web Template Design Flash Template Design
Flash Introduction Design Banner Design Logo Design

Regular small website should consist of a logo, a template, few banners, and some flash modules. Template design can be finished within 3 days. Flash introduction/animation would take longer time. Other small design can be finished in the day you order.

Example contents of small company website

- Home: introduction
- Company: history, beginning, objective, experience, vision
- Services: details of products and services
- Management Team
- Client List / Port Folio
- Contact: contact information, address, map

Example contents of personal website

- Home: introduction, profile, biography
- Resume: education, activities, experiences, works
- Port Folio: example of your works
- Contact: contact information, address

We will help you with the website structure. Please prepare your own contents and photos.
